

# The Bullet-IN

River Bend Gun Club is a club for members, founded in 1958. Issue No. 287 August 2021

## Update: Young Shooters Challenge 2021

The annual Young Shooters Challenge (YSC 2021) is scheduled on Saturday, October 30, 2021 at River Bend Gun Club. As in previous years, when the club hosted YSC, this event will include seven separate shooting venues that will be held on Cowboy Hill. All firearms, ammunition and supporting materials will be provided by River Bend Gun Club and refreshments, beverages and lunch will also be provided for everyone in attendance. All young shooters will be coached by qualified RBGC club members to ensure the safety of participants and staff.

YSC 2021 is fully funded and supported by RBGC and there will be no charge to participants for this event. Details and online registration for YSC 2021 is now available at [www.rbgc.org](http://www.rbgc.org). This event is limited to 120 young shooter participants and it will fill to capacity quickly. Please go online and register now to confirm your young shooter’s participation.

Although approximately 38 club members have already volunteered to help with YSC 2021, we still need at least 15 additional volunteers. For YSC 2021 to run safely and smoothly, the club needs at least 50 volunteers for the various jobs that need to be done. Please contact Will Owensby at [willborner@aol.com](mailto:willborner@aol.com) if you wish to volunteer to help with YSC 2021. We need volunteer club members for the following activities:

- Muzzle Loading Rifle on Bay 2 (1 volunteer needed)
- Air Rifle Benchrest on Bay 6 (2 volunteers needed)
- 22 Rifle Prone on Bay 7 (3 volunteers needed)
- M1 Carbine Prone on Bay 8 (2 volunteers needed)
- 22 Pistol on Bay 9 (3 volunteers needed)
- 22 Rifle Benchrest on Bay 10 (1 volunteer needed)
- .410 Gauge Shotgun in the Parking Lot (fully staffed)
- Shooter Registration in the CB Hill Clubhouse (fully staffed)
- Grilled Lunch Preparation and Serving in the CB Hill Pavilion (3 volunteers needed)

There’s a lot yet to be done and YSC 2021 is only three months away. For anyone who has questions about when and how they may register for YSC 2021, this information is now posted at [www.rbgc.org](http://www.rbgc.org) and all details are provided on the website. YSC 2021 is one of the best events of its kind and we are looking forward to another opportunity to enjoy a safe, fun filled day of helping our local youth enjoy the shooting sports at RBGC.

## Women on Target Pistol Clinic

**Come join the fun! The next Women on Target Pistol Clinic is Saturday, August 7, 2021**

The clinic starts at 8:30 am in the Gene Mowell Conference Center. Several women NRA Pistol instructors facilitate the classroom sessions on firearm safety; parts and functions of a revolver and a semi-automatic pistol; ammunition knowledge; the shooting fundamentals and answer your questions. The Club provides lunch, then we head to the range for a one-on-one shooting experience with our wonderful volunteer coaches!

Click on link to register online: <https://tinyurl.com/y3jlg9dj>

In May, the ladies enjoyed a great day at the range, shooting at some fun targets. Many thanks to all our volunteer coaches!

Questions: email Kathy Rioux at [legacyost@gmail.com](mailto:legacyost@gmail.com)

## Centerfire Plinking Range Plate Rack Destruction

River Bend Gun Club is the premier, top shelf gun club for Georgia. There is no finer equipped club with the depth and variety of ranges and sports venues than we have here. Our membership is as varied and enthusiastic as our club and members engage in participating, coaching and advocating every shooting sport in the safest possible environment out there, bar none.

So, it pains me to inform you that there are individuals for which rules do not seem to matter. Sometime between 2 July and 11 July, an individual or individuals broke Centerfire Plinking (CF PR) Range Rules by firing high energy rounds on Centerfire Plinking Range #2 plate rack, causing deep craters in each plate. After the plate rack was damaged, the CRO received several reports of shrapnel coming back and striking shooters, one, with sufficient force to draw blood. This is a shocking case of blatant vandalism. Now, club amenities are diminished and the safety of our ranges is called into question. This is contrary to the mission of our Club, contrary to the vision of our Board and Officers, contrary to the Member's devotion for safety and it is plain wrong that it happened at all.

While the investigation continues, I ardently encourage every member to be aware of each range's capabilities and its limitations as well. Signs are posted at each range. Each range sign-in box has a copy of the Range Rules earmarked for that particular range. If you have any doubt or question if your firearm is allowed on a range, flag down a patrolling ARCO, call the Manager's office or come by the Manager's office, especially if you believe there has been a mis-use of range equipment or you've witnessed mis-use of range equipment. The CRO and Club leadership want to know when these abuses take place so that appropriate steps are taken to learn the facts of the matter.

As members of the Club, each of us shoulder a responsibility to safeguard Club property, assets and the Club's reputation. A gentle word or suggestion will handle almost every issue that arises over which firearm is allowed on a particular range. When that friendly reminder is discarded, the task then falls to the CRO. Please bring this information to this office or the Club Manager for follow up as soon as possible.

With your help, we can River Bend's excellent safety record and uphold the Club's status as the state's premier outdoor shooting facility

Thank you,

James 'Maverick' Garner

CRO

## Highlights of the June 14, 2021 Board of Directors Meeting

President Will Owensby presided over a quorum of eight Board members. Also attending were two club officers, the Club Manager, the Assistant Club Manager, and the Shotgun Hill Manager. The meeting was convened at 6:59PM on Monday, June 14, 2021. The meeting was held at RBGC's Gene Mowell Conference Center on club property.

A quorum was confirmed, the proposed agenda was amended and adopted, the minutes of the May 10, 2021 Board meeting were approved, and the following officer and manager reports were presented and accepted:

Treasurer Secretary Chief Range Officer Club Manager Shotgun Manager

Board decisions made, actions taken, and items of interest:

- Ernie Knoche was nominated and unanimously approved as Vice President.
- The following Club Officers and Managers were nominated and unanimously approved:
  - Erica D'Amico as Club Secretary
  - Geoff Rhines as Treasurer
  - Bill Illg as Club Manager
  - Bill Wettingfeld as Shotgun Hill Manager
  - James Garner as Chief Range Officer
  - Phil Alexander as ACRO I
  - All currently approved ROs and AROs
- Larry Sollars, Life Member, and Randy Gamble, Annual Member were nominated and unanimously approved for Executive Committee.
- Art Thompson was nominated and unanimously approved for Facilities Committee Chair.
- Bill Illg was nominated and unanimously approved for Membership Committee Chair.
- James Garner was nominated and unanimously approved for Range Committee Chair.
- Pursuant to By-Laws Article XV (c), it was unanimously approved to extend committees until the end of the June 2022 Board Meeting.
- Bill Illg reported on behalf of Treasurer Geoff Rhines that May FYTD income was \$932K, an increase of approximately \$178K versus the same period in FY 2020.
- May FYTD expense was \$940K, an increase of approximately \$77K versus the same period in FY 2020.
- Cash in the bank as of 5/31/21 was \$343,310 including \$100,205 in Capital Reserve Fund.
- Club Secretary Erica D'Amico reported that the membership total at the beginning of the June 2021 meeting was 2,168, an increase of 183 members from the 1,985 active members in June 2020.
- The number of Senior Members in June 2021 was 194 (8.94% of RBGC membership).
- There are currently 20 members on the Life Membership Wait List.
- Assistant Club Manager Greg Hughes presented the CRO report and reported that 17 of 19 venues submitted Match Use Summary Reports for May. Total entries were 558 (210 members, 340 non-members, and 8 juniors). May match income was \$12,065 with \$1,937 reported to the club.
- Range Use Summary Report for May totaled 1,720 (1,502 members and 218 guests).
- There was a New Member Orientation (NMO) class held on May 23 for 36 attendees.
- There were 20 Tac Rifle Certifications in May.
- Club Manager Bill Illg reported that the HP tree removal project is almost completed.
- Galloway Construction and Consulting is waiting on their electrician and the metal for the roof to complete the Shotgun Hill renovation.
- The Cowboy Hill paving project has been completed.

*(Continued on page 5)*

## Official Club Business

*(Continued from page 4)*

- The soffit and roof shingles were replaced on the Shotgun Hill rest rooms.
- The high tower on Shotgun Hill was repaired with two new capacitors.
- The power pole on Cowboy Bay 3 has been repaired.
- New signs were purchased and installed on Shiloh Church Road.
- The Radio Shack has been painted.
- The dueling tree on Cowboy Bay 9 has been repaired.
- Four new plastic tables for the conference room have been purchased.
- A new 20" chainsaw was purchased for the maintenance crew.
- The Ad Hoc Reporting and Scheduler was purchased from Club Express and a utility program to update the Badge issued date field was purchased.
- The battery for the Cowboy Hill AED was replaced.
- Shotgun Hill Manager Bill Wettingfeld reported that shotgun range use in May was 443 shooters (408 members and 35 guests). 1,566 rounds were fired during the month with 29 cart rentals. Total May revenue to the club was \$9,753.
- The Board approved 27 new members and 1 reinstatement.
- Activities Committee Chairman Ederlin Owensby reported that the raffle drawing was held at the annual business meeting on May 16, 2021. Names were drawn for members who voted in person or assigned their vote via proxy for the 2021-2022 club officer's election. Two RBGC annual membership certificates, six \$100 gift certificates, and twelve \$50 gift certificates were given away.
- Infrastructure Committee Chairman Bill Illg reported that the Silhouette Range cold range indicator lights are now running on 12v power to negate the effects of a power outage. This will provide 3 days of use during an outage. The Rimfire Rifle Range light conversion will take place this month.
- Membership Database and Renewal Automation Committee Chairman David Norcross requested that the old forum be discontinued. The request was approved unanimously, and the old data will be removed by July 1, 2021 (the AED usage information will be moved over to new forum).
- Public Relations Committee Chairman David Norcross reported that the June Bullet-IN reached 2,115 recipients. Open rate was 62% and 47% of members clicked through the newsletter.
- Temporary Range Rules Revision Committee Chairman Charlie Iracondo presented the finalized proposed rule changes. Changes were approved unanimously and will be included in the revised range rule book effective 6/14/21.
- Scholarship Committee Ernie Knoche reported that the committee will continue selling the remaining raffle tickets for a Glock at \$10 each at the Action Pistol match to raise funds for the Scholarship fund.
- The Scholarship Committee has received \$7,551 in donations so far from renewals.
- Will Owensby reported that the go live date on the website for Young Shooters Challenge registration is August 1, 2021.

Regular monthly Board meetings are called to order at 7:00 PM on the second Monday of each month in the Gene Mowell Conference Center. RBGC members and families are cordially invited to attend.

# July 2021 NRA Light Rifle Match Report – State Championship Match

Simon Bailey

Unusually cool comfortable July weather greeted the 12 competitors on hand for the 2021 Light Rifle Standing Championship match. Skies were clear, humidity low and a very gentle breeze kept conditions very comfortable without influencing the shooting stance. Attendees were greeted to the range by a helium filled American Flag and a Happy Birthday balloon (more on that later).

Range officer Don Coleman was in attendance to run the match with Match Director Simon Bailey, taking a non-competitive role to serve in the scoring role and as support for birthday girl Fran Bailey who assisted in scoring and performed Stat office duties.

The July match is the Light Rifle Standing State Championship match and is traditionally an 80 shot engagement fired at 50 feet. After a brief sight-in period, the match got underway just before 10:00 AM.

With a large Marksman class but the other classes under-represented, voluntary class promotion allowed for both a Marksman and a Master class to be formed, membership perhaps foreshadowing the final match outcome.

The first stage results were not unpredictable with Kirk Swanson (promoted to Master) and George Wilson (promoted to Master) tied for first at 90.1X and Sub-Junior Marksman Xander Massengill filling out the leaderboard with an 88-1X. Stage two is where the unpredictable started with Wilson posting an unusually low stage score (for him) of 81.0 by virtue of a missed bull and associated 10 point loss to drop from the leader group.

Swanson fired a 92.0 to take over first place while a very consistent Bob Morris moved to 2nd on a 91.0. Xander's dad, David Massengill, took over 3rd place on a pair of 86.0's with Xander slipping to 3rd Marksman behind Chris Sagar (1st Marksman 171.0) and Don Coleman (2nd Marksman 168.1)

The next two stages saw Morris return to form posting a 93.1 and a 92.0 to take over 1st place after 4 stages posting a 361.1 aggregate. The 4th stage saw Swanson spot the field an additional 10 points with his miss for the day to drop to 2nd overall at 354.1. Wilson, recovering from his 10 point spot, scored low 90's to hold 3rd with a 352.2. A pair of 87.0s saw Coleman move into 1st Marksman by X count over D. Massengill 342.1X to 342.0X.

At the end of 6, Coleman and D. Massengill swapped places with David leading Coleman by a point at 513.0 while Xander Massengill held 3rd Marksman. Also notable was Angelina Lemley's effort with her stage scores jumping into the 80's, a solid improvement.

The top three positions remained unchanged, with Wilson moving one point closer to Swanson (535-2X to 536-2X). All top three shooters were now posting low to mid-90's but Morris's consistency and refusal to give up his 10 points, kept him ahead.

The final two stages had Wilson finish out with a 90.2 and a 91.0 to finish 3rd overall at 716.4X. Swanson finished the match very well putting a final stage score and match high 96.2X to move within 3 points of Morris who continued his very consistent performance to finish as Match Winner and State Champion with a 714-3X over Swanson's 721-6X.

*(Continued on page 8)*

# Light Rifle Match Report

*(Continued from page 7)*

David Massengill took first Marksman at 692.02 while son Xander finished with a 661.2X to take home the Junior State Championship. Championship match prizes are only awarded to the Champions and Class winners, so the awards provided were:

**Results:**

Bob Morris                    724-3X – Match Winner – Open State Champion

Xander Massengill        661-2X – Junior State Champion

David Massengill        692.0X – 1st Marksman

Special Recognition was also awarded to Angelina Lemley for High Woman.

At the conclusion of the awards ceremony a small birthday celebration was held for Fran Bailey who was celebrating her birthday by performing Stat Office Duties at her husband's match (how lucky can a guy get)! George Wilson provided a cake and soft drinks for the Birthday Girl and shooters with a special thanks offered to Don Coleman for his match calling efforts.

Please see the match bulletin posted on the website for full results. Congratulations to all winners and special thanks to Don Coleman and Fran Bailey for their assistance.

The next Light Rifle match will be held on Saturday, August 7th for the second 50 yard match of the season with one match iron sights only with 30 fired shots and the second match a 30 shot any sight match.

## Smallbore Rifle Prone

In July we fired a non-sanctioned Conventional 1200. We had ten competitors, four shooting with a sling and six shooting F-Class.

In the sling class, Steve Hardin shot very well and very consistently, as usual. His scores in the three matches were 398-34X, 400-34X, and 399-30X. Doug McNash and Matt Whitley battled it out as they do in every match, with Doug prevailing by three points out of the 120 shots fired.

The top three in sling class:

Steve Hardin 1197-98X

Doug McNash 1190-71X

Matt Whitley 1187-69X

In F-Class we had the usual suspects, plus Keith Jarriel rejoining us and club member Brad Kanipe shooting in his first smallbore prone match. Dave Rabin dropped a disastrous eight points – half his total for the day – on his second target, before discovering he had a loose screw on his equipment and, no doubt, in his head as well. He soldiered on after tightening both, but it was too late to catch up with the excellent shooting of Simon Bailey and Joe Ettershank.

The top three in F-Class:

Simon Bailey 1189-77X

Joe Ettershank 1186-62X

Dave Rabin 1184-78X

The full match report will be posted on the club's website, and can be accessed by visiting our [venue page](#).

Many thanks to Joe Ettershank for building a new set of wind flags for the Rimfire Rifle range, poles and all. These are the best-engineered, best-built and most sensitive wind flags I've ever seen on a smallbore range.

Our next match will be an NRA-approved Metric 1200 on Saturday, August 28, 2021, with registration opening at 8:00 a.m. and first shots at 9:00 a.m.

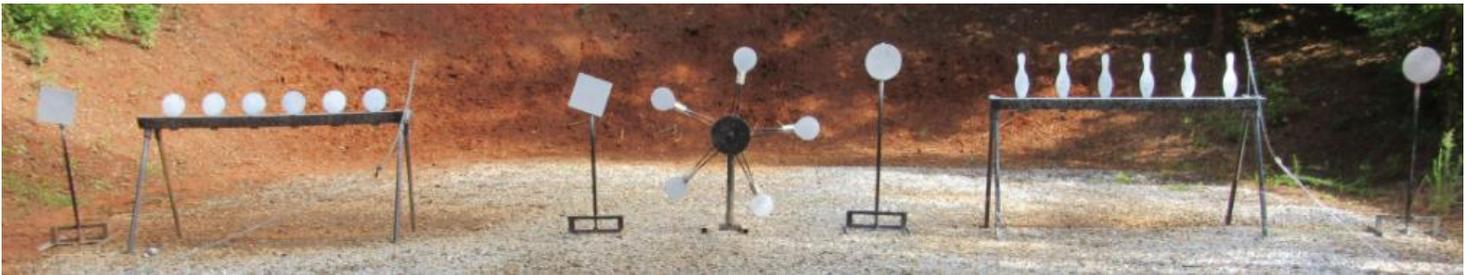

-----Dave Rabin

## Action Pistol

### Our "Invasion of the New Shooters" Match

Saturday, July 17th, forty six enthusiastic Action Pistol shooters were greeted by a truly beautiful Georgia day. The morning was made even better by the set up help of Mike Castleberry the afternoon before. Thank you, Mike. For July in addition to many of our regular family we had nine (!) new-to-action pistol competitors. In spite of ammo still being in less than copious supply our match was the go to event for new shooters and new prospective River Bend members. There's even the prospect of reigniting our .22 Junior Division. Gabriel, we'll see you in August.

Bay 1 - Confused Again? - Brought a new twist to the steel madness with plate and pin racks and a middle Texas Star. The only catch was you couldn't shoot the star like you'd practiced for years (or months, or days or never before seen one before). Steel, Star, Steel then Steel, Star, Steel, then wash, rinse, repeat..... How hard can that be? Apparently unwiring a wired brain under a timer and surrounded by friends is not easy. Seemed to be a little bit of "where the hell am I?" going on.

*(Continued on page 11)*

## Action Pistol

(Continued from page 10)

Bay 2 - Where Do I Go? - No problem here. Table to barrel to door to box to porthole to box (look around the wall) to running trail to barrel and you're done. No problem. Most of the time. The intermix of paper and steel along with some good aerobic exercise was enjoyed by everyone except the

RO's.....

Bay 3 - Hold Up! - Once again a few mind games for our shooters. As if breaking those old Texas Star habits weren't enough, here comes the briefcase and the Failure Drill. The beeper goes off and there goes your game plan. The fun of getting your gun out, getting your mag in, then Mozambique, then paper and steel and barricades and running -- the stuff of Action Pistol at River Bend.

Thank you to all who pitch in to set up and to tear down the stages!

Our Action Pistol traditions continued after the Bays were cleared with another great grilled lunch - Thanks to our Grillmeister, Russell Wynne. Our shooting match continues to support fine dining River Bend Style as an event that no one should miss. Of course the match and lunch were topped off with door prizes of ammo (!!), primer (!!), cleaning gear, storage equipment.

Thanks again to the Action Pistol RO's and Support Team plus all the competitors who show up early to help set up, get us going and keep us safe and organized.

OUR NEXT ACTION PISTOL MATCH IS AUGUST 21st

# Georgia ICORE

The major storms stayed away for another great revolver day at the July match. Just a little 30 second shower didn't deter Ted Pesta from taking first in Limited Division and the match. Greg Cannon took Open division, Chuck Cox, Revolver and Alfred Sauvé, Classic. A shout out to our sponsors, Hunter's HD Gold and Carver Custom.

This month the steel stage had an element of Steel Challenge's Smoke and Hope with 4 paper targets and red stop plate. Trick was to shoot it three times in one string; first freestyle, then strong hand only and finally weak hand only. Most everyone took a "miss" on the stop plate, shooting weak hand, after two shots rather than wasting more ammo and time. The two classifiers were "You Want Me To Do What" and "Accuracy Is Final." The first seemed simple till one competitor skipped a target. The other tested speed, accuracy and reloads.

Steel looks so easy till the buzzer goes off.

(Continued on page 13)

# Georgia ICORE

*(Continued from page 12)*

Those new AP bays are so-o-o-o big. And somebody brought all the comforts of home.

The next match is August 14th on the Action Pistol Bays. Come on out and see what the Match Director has to challenge your revolver. The entry fee is only \$15 (\$5 for 2nd gun). You do not have to be a member of either ICORE or River Bend to participate. Meet at Action Pistol Ranges, with; setup at 7am, if you'd like to help, registration opens at 8am, a short shooters meeting at 9am, and then hammer down. First time shooters will need to meet up prior to the match for a safety briefing.

As a chapter of the International Confederation of Revolver Enthusiasts, ICORE, we serve to promote enjoyment and satisfaction in action shooting competition with revolvers. We're about safety and having fun while improving our shooting skills.

ICORE combines elements of the other pistol shooting disciplines into a fun competition exclusively for revolvers. Scoring is based on time with extra seconds added or subtracted depending on the accuracy of the hits. Steel plates as well as other reactive targets are also used in ICORE events. For more info got to [RBGC.ORG](http://RBGC.ORG) and look under Shooting Venues – Action Shooting Sports.

Caliber wise, anything from .32 up with .38spl, 9mm and .45ACP being the most common. No magnum, or +P+ calibers for safety reasons. Rimfire shooters are welcome, but will be scored separately. (Because of the steel targets no magnum, hollow point, steel core or hyper velocity rounds. Only lead, coated lead, jacketed or plated bullets, please.)

We have an active Facebook page under "Georgia ICORE" and use PractiScore for registration and for posting scores. On-site registration is of course welcome. So grab your gun, holster, ammo, speedloaders & holders, and eye & ear protection and join us for a great time. For the latest info or additional questions, check the FaceBook page or email [ICORE@rbgc.org](mailto:ICORE@rbgc.org).

### Wanted—Place to Hunt

My two boys and I are looking to pay you to deer hunt on your property within 25 miles of the club and north of Rt. 20, Canton Highway. My oldest is an Eagle Scout and a UNG sophomore and the other is about to finish his Eagle project and a senior at Forsyth Central High School. I've spent the last twelve short years hunting side by side and teaching them safe and ethical hunting. They would only hunt when I'm hunting. We'd welcome the opportunity for you to meet and interview us at RBGC before you make your decision. Please call, text or email me at (770) 331-3082 or [steve\\_drenkard@ahm.honda.com](mailto:steve_drenkard@ahm.honda.com).

### Want to Trade - Primers

I have 5000 Federal large pistol primers that I would like to trade for small pistol primers.. If you only have 500 /1000 okay.

Will meet at the club and trade

Contact me at [dkelleymp5@gmail.com](mailto:dkelleymp5@gmail.com)

### Wanted - Cowboy action gear

I am looking to get into Cowboy Action shooting. If you are looking to get out or cut back on you gear, let's talk. I guess I need...everything. Pistols, carbine, shotgun, leather, ammo and a cart to haul it in.

Give me a call at 404-723-4388

Thanks, Mike

Please submit classified ads to [newsletter@rbgc.org](mailto:newsletter@rbgc.org) no later than the 28th of the month.

Ads appear for two issues unless additional time is requested.

#### Shotgun Hill Hours:

OPEN Thursday - Sunday 10am - 6pm last round must begin prior to 5:30 pm

CLOSED Monday - Wednesday

#### Club Hours:

Club hours are from sunrise to sunset (specific times for specific dates are listed on the RBGC and other weather sites) on all ranges except the shotgun ranges, which are open late on certain days of the week, light and weather permitting (check the website for scheduled days and hours of operation). Evening shooting (until 9:00 p.m.) will be scheduled periodically on the lighted field. Check the website or contact the shotgun Manager for current schedules.

#### Newsletter Information:

When submitting articles, please remember to include a couple of pictures if possible.

Email to [newsletter@rbgc.org](mailto:newsletter@rbgc.org) **Deadline is the 28th of the Month.**
